## Report of Principal and School Improvement Council

The 2010-2011 school year was extremely eventful for Sangaree Middle School. The faculty, staff, students, parents and community welcomed a new administrative team. This new team renewed our commitment to work collaboratively to focus on learning for all students who entered our doors. We extended this focus on learning to the adults in the building as well. We continued our desire to fully implement the 10 key practices of Making Middle Grades Work. Through working within Professional Learning Communities to plan instruction and assessments, our teachers maintained their commitment to provide a quality education to all students.

This year we were fortunate to participate in the Literacy Across the Content Areas initiative. This afforded us the opportunity to allow our students to discover e-books through the Nook. To compliment the literacy initiative, we several of our teachers and students were involved in the Jamestown Reading pilot project geared at reading intervention. Additionally, we increased opportunities for students to be actively engaged in learning through the influx of technology throughout the school. Teachers made connections between math and science through the use of Calculator Based Labs; students and teachers interacted with SMARTBoards using the document cameras, remote slates, and Senteos. We also offered a summer STEMs camp opportunity for students to explore robotics, video game programming, and Kinex force and motion.

This year, we made recognizing student accomplishments a priority. Through a student incentive program, we recognized students for meeting academic and behavioral expectations. The "Order of the Eagle" award was given to students each quarter to honor good citizenship and work ethic; Students of the Month were honored for exhibiting good character. Additional recognition was bestowed upon our students as we recognized 8 Junior Scholars, 2 Duke TIP scholars, as well as several visual arts awards and performing arts awards. The SRM band earned an Outstanding Performance Award by the State Band Directors' Association. Additionally, we had a Grand Winner in the MESAS State Science Contest!

Last, but certainly not least, SRM was recognized as a Palmetto Silver Award recipient for both performance and closing the gap. We are extremely proud of our accomplishments this year and are certain that SRM will continue to work toward excellence during the 2011 -2012 school year!

Mrs. Margaret Day, Principal

Mr. Kelly Broad, School Improvement Council Chair
